PROFILE

Experience across retail management, construction supervision, graphic design, and broadcast production. A fast learner who adapts quickly to new environments and tools, and stays attentive to details others might overlook. Comfortable moving between customer-facing work, technical tasks, and creative projects.

EDUCATION

- **Universitas Terbuka** Aug 2023 - Jan 2027
  English Literature (In Progress)
- **SMKS Islam Hang Tuah Batam** Jul 2018 - Jun 2021
  Multimedia
  - Actively participated in a short movie competition, working on the production and editing process as part of the team.
  - Completed a short movie workshop organized by VIU, gaining hands-on experience in filmmaking and video production.

WORK EXPERIENCE

Store Manager Sep 2024 - Present
Indah Berkah Mart

- Oversee daily store operations, including staff scheduling, stock control, and customer service.
- Manage inventory levels and coordinate restocking to keep the store running smoothly.
- Keep a close eye on stock counts and daily store conditions, catching small discrepancies before they turn into bigger problems.
- Handle customer inquiries and resolve issues on the spot to keep the shopping experience positive.

Construction Supervisor Sep 2023 - Dec 2023
PT Barelang Kontraktor Sarana

- Supervised on-site construction work, coordinating between the crew and the project schedule.
- Monitored work quality and safety compliance closely, catching issues on site before they became bigger problems.
- Reported progress updates to project management to keep tasks on track.

Graphic & Brand Designer Jan 2022 - Aug 2023
Freelance

- Designed logos, branding materials, and marketing visuals for a range of freelance clients.
- Worked directly with clients to turn their ideas into finished designs, revising based on feedback.
- Managed multiple projects at once while keeping to deadlines and maintaining design quality.

Video Editor Jan 2022 - Aug 2023
For Streamer

- Edited video content for a gaming streamer, including highlight reels, clips, and VODs, with close attention to timing and pacing.
- Worked with the streamer to match the final edit to their style and channel branding.
- Balanced editing work alongside freelance design projects, managing turnaround across both.

Broadcast Technician & Live Streaming Assistant (Internship) Sep 2020 - Nov 2020
Batam Televisi

- Assisted with live streaming and video production operations for on-air broadcast programs.
- Supported the technical team with equipment setup and day-to-day broadcast operations.
- Gained hands-on experience with broadcasting systems and live production workflow.
